Lucrative Turn-Key Appearance Medicine Business

Calling Investors, Nurses & GP's

This well-established medical clinic presents a rare opportunity for an investor, nurse or GP to step into an existing business with a very lucrative appearance medicine and separate varicose vein excision arm, while enjoying full management support. With strong recurring revenues and a proven model, this business/franchise is primed for growth and presents real lifestyle upside. A generous vendor finance package is on offer (details upon enquiry) which significantly lowers the investment threshold and offers flexibility for the right purchaser.

Vendor Finance 50%+ to approved purchasers

Key features

1. Dominant market position in Christchurch appearance medicine sector
2. Established business has a extreme goodwill
3. Existing Doctor/owner varicose vein treatment services, making it an ideal acquisition path for a GP seeking to expand into this specialty - full training available, Fully managed business model with experienced team in place and robust systems already operating; minimal setup risk
4. High-margin aesthetic medicine component integrated into the platform- offering a compelling value-add for a buyer with clinical background
5. Attractive vendor finance terms available - allowing you to acquire immediate control with reduced upfront cost and take full advantage of a well-oiled business

This is an exceptional chance to acquire a business that delivers both strong income and a highly desirable lifestyle. Whether you're a GP looking to diversify into more specialised procedures, or a clinician seeking a high-quality business with upside in a proven category, this listing offers a clear path. Contact us today for full details including the vendor finance package and to receive the engagement materials.
