

Home Renovation Franchise for Sale Christchurch

Franchise Renovation business with established customer base and pipeline; begin your legacy with a huge head start!

Established Refresh Renovations Business Opportunity for Sale

With the Canterbury renovation market valued at circa \$1b+ annually, and with house price rising, the scene is set for an active 2026 and beyond. With this established business, you will be inheriting an established pipeline and customer base, really giving your renovation business a running start

Refresh is a complete design and build service and has a proven process for taking customers from renovation concept to project completion. This structured process provides franchisees with a framework for working with customers to ensure they deliver a renovation that is on-time and on-budget, and delivers on the customer's desired outcomes.

Budgets, costings and designs are developed and refined as the project progresses through the process, so that there are no surprises during the construction phase, and customers receive exactly what they were expecting.

Business Resources

With one full-time staff member in place, world-class internal project management and CRM systems in place, and an established pipeline of leads, this business is ready for a new owner to take forward into a busy Canterbury renovation market in 2026
