

Fully integrated specialty timber processor Business for Sale Harihari

A fantastic lifestyle business that utilises our local plantations of Tasmanian blackwood and other specialty timbers to produce high end flooring and cladding products.

We deal direct with the end user clients with no middle men.

After years of building the business up, the owner is ready to retire and let some new blood take the business to the next level. This is a very profitable business that has huge potential to expand.

The business includes a fully equipped sawmill, Air drying and kiln drying facilities, Dry store and fully equipped machine shop including docking, band resawing, quality 6 head planer, and end matching machine.

Sawmill Direct has established a name for supplying house lots of solid timber flooring and special purpose timbers direct to the end user.

Business Resources

The owner is keen to see this business succeed under new ownership and will consider all options including leasing the land and buildings, and flexible options for the purchase of stock.
