Highly Reputable Civil Engineering Consultancy

This respected Auckland-based consultancy has built an exceptional reputation for quality, innovation, and reliability over more than eight years of successful operation. Trusted by both government and private sector clients, it holds accreditation as a panel consultant for the Ministry of Education and is a Member of Master Builders New Zealand.

Providing a comprehensive one-stop service model, the firm delivers fully integrated civil, structural, geotechnical, and planning solutions across the residential, commercial, and infrastructure sectors. Its strong industry reputation and loyal client base-comprising around 30-40 active clients, including leading developers and major organisations-ensure consistent workflow and repeat business.

The company operates from a prime central Auckland location, offering convenience for clients, staff, and partners, and is supported by a highly skilled professional team with established systems and digital workflows that underpin accuracy, efficiency, and profitability.

Key Features:

- * Established brand with over eight years of strong performance and market credibility
- * Ministry of Education panel consultant and Member of Master Builders New Zealand
- * Comprehensive one-stop service model across multiple disciplines
- * 30-40 active clients, including key public and private sector organisations
- * Skilled and experienced team supported by efficient digital systems
- * Central Auckland location with easy access to major development areas

This is an outstanding opportunity to acquire a profitable, future-ready consultancy with an established reputation, strong operational foundations, and clear pathways for growth within New Zealand's thriving land development and infrastructure market.
