

# Kitchen and Bathroom Renovation Business for Sale Kapiti Coast

## A Unique Opportunity, Six Figure Income, plus a 36% ROI, Massive Growth Potential.

Kapiti Kitchen & Bathroom Centre is a home renovation company, specialising in kitchens and bathrooms.

Established in 1979, providing renovation services primarily in the Kapiti Coast and Wellington Region.

It's reputation is priceless, It is a very successful business, it has very low operating costs, minimising business risk, while providing excellent (6 figures) owner income, plus impressive Operating Profits.

The yearly Return on Investment (ROI) over the previous 4 years, based on the asking price represents an excellent return of 36%.

The business is home based, and you do not need to be on the tools.

The business has enormous growth potential, providing the opportunity to increase income and business value.

The business can be located anywhere within the Kapiti Coast or north Wellington.

The reason for selling? The owners wish to retire; however, they are open to discuss the potential of providing ongoing support into the future. This would be a tremendous advantage to a new owner of the business.

This is a unique opportunity, it has great potential, and provides excellent owner income and company profits.
