Established West Auckland Franchise - Low Overheads - Flexible Operation

Here is your chance to acquire a well-established West Auckland franchise within a long-standing national brand operating in personalised gifting and keepsakes. With 25 + years in the market, the brand has built strong recognition and operates through a proven franchise network with exclusive territorial rights.

The business is currently run on a part-time basis with low overheads and no staffing requirements, making it suitable for an owner seeking flexibility or the ability to scale earnings by increasing operating hours. The operating model allows the business to be run from home, via mobile appointments, or from a small studio if desired. No commercial lease is required.

The West Auckland territory covers a large and growing residential catchment with consistent year-round demand. Current performance reflects a conservative operating approach, with clear potential for growth through expanded availability, increased local marketing, and broader service delivery.

A franchise agreement is in place through to 2028, with renewal options available. The business is owner-operated and suited to a hands-on individual seeking a manageable operation with strong margins and scalable income.
