With a long-standing presence in Thames, this profitable business offers someone a great opportunity who's passionate about creating great interior designs.

Offering multiple income streams, the business combines a stylish retail showroom that's highly diversified, delivering end-to-end interior solutions through a combination of retail, design, and project management services. Key highlights include:

1. Established retail showroom generating consistent walk-in and repeat sales
2. Full interior design services, from concept to completion
3. Expert coordination of furnishings, colors, and finishes
4. Measuring, supply, and installation of blinds, curtains, drapes, and shutters
5. Project management for residential and commercial new builds and refurbishments
6. Extensive client database generating strong repeat and referral business

The business services a broad catchment area including the Coromandel Peninsula, Waikato, and Hauraki Plains, with proven capability to work further afield when required.

If you're seeking a lifestyle business with a strong reputation and plenty of wow factor, please get in touch to request a confidentiality agreement.
