### Relocatable Import Distribution Servicing AUS & NZ

Bring this business to you! Relocatable Import Distribution Business servicing AUS & NZ

Looking for flexibility? Tired of running large teams or making the \$\$ for someone else. The joy in this business is its simplicity. Through strong supplier relationships, this business offers the Australasian market a range of products for outdoor living enthusiasts. Currently, the Australian arm is run through a 3PL set up in New South Wales, while New Zealand customers are serviced from the business's current base in the Waikato. Currently housed within the vendor's larger business, a yard of approximately 60m2 with 100m2 of warehousing to hold the stock in NZ would be ideal. Although establishing 3pl in NZ could be another option if you choose.

- \* Profit to a working owner expected to exceed \$400,000 this financial year
- \* Well-regarded international brand
- \* Established customer base (B2B & B2C)
- \* Opportunity to add a marketing or sales skill set to drive growth
- \* Large e-commerce presence with ability to scale
- \* Customer mix includes major hardware retailers
- \* Asking price is plus stock of approximately \$200,000

Operating in the outdoor living sector for over a decade, the business traded softly in 2025FY, but the 2026FY is on track to exceed 2024FY, with the economic climate only just warming back up! The business would suit an owner with experience in sales or marketing who is excited to own their own business and have their work align with their passion for making outdoor living spaces the heart of your home.

Rather than fitting your life around a business, this is one you will be able to mold around your lifestyle! Call us today if this sounds like the unicorn business you have been waiting for and make 2026 the year you take charge of your future.
