### Seeking a positive change for 2026!

This is a wonderful opportunity to own a much-loved pre-school & junior school music education business now on the market. Well known for specialising in engaging music and movement programmes from early childhood through to school aged students on all levels.

- Well established business
- Built a strong reputation with families and early childhood centres
- Loyal repeat enrolments
- Genuine growth potential
- Business has proven systems and activities in place

A rare opportunity is presented for a hands-on operator, who's passionate about children, music or early learning.
