PET SITTING

Stop Kitten Around... Auckland Pet Sitting - \$70,000 Profits

This Auckland in-home pet care business has been operating for 25+ years and provides premium home visits for cats and small pets. When owners travel, they want reliability, communication, and peace of mind, and they come back again and again.

The model is clean and simple. No kennel. No premises overhead. No complicated inventory. It runs through a proven scheduling and reporting system, and the business is supported by a contractor team already in place to help handle busy periods.

It's one of those rare opportunities where the business is small, tidy, systemised, and priced sharply. In other words, it's the kind of listing that gets snapped up.

Not a ruff gig!
