

# Global Food Safety SaaS Business for Sale Auckland

## For Sale

Location: **Auckland**  
Asking: **USD 20,000,000+**  
Type: **Communications/Technology**

### Global Food Safety SaaS Platform | AI-Enabled FSMS | Global IP & Source Code Included

Asking Price: USD\$20 million+

#### Opportunity Overview:

##### Regulatory-Driven Growth Opportunity - U.S. Market:

- The U.S. Government mandates all food service businesses to implement a formal food safety program, effective January 2026, with full compliance required by December 2028.
- Creates a large, time-bound, non-discretionary market for digital FSMS solutions, providing immediate upside for a production-ready platform.

#### The Opportunity:

Established, production-ready Food Safety Management System (FSMS) designed for multi-site, multi-country food and beverage operations. The platform is cloud-native, AI-enabled, and scalable, with full ownership of proprietary source code and global intellectual property, including patents.

#### Platform Highlights:

- End-to-end, production-ready FSMS with AI-enabled analytics and automation supporting compliance, monitoring, and operational decision-making
- Designed for complex regulatory environments, supporting food manufacturing, processing, distribution, and supply chain operations
- Cloud-native B2B SaaS architecture built for rapid international expansion
- 100% ownership of proprietary software, algorithms, and source code
- Global IP portfolio, including patents and associated rights
- Adaptable across enterprise and multi-location operations

#### Transaction Details:

- Compelling opportunity for strategic or financial buyers seeking entry or expansion into the global food safety and compliance technology market
