Small Cafe for sale

This well-known little café gem has been locally owned and operated for the past 9 years and is now ready for its next chapter. We're looking for the right person to step in, take over, and make it their own.

The café enjoys strong customer loyalty and fantastic support from long-standing suppliers, making this a great opportunity for an owner-operator ready to jump in and take the reins.

Currently operating 6 days a week, there is clear potential to expand hours and grow the business further. The café is built around friendly, quality service, serving great coffee and delicious food — all made on site daily.

If you're looking for something new to kick off the year, this could be the opportunity you've been waiting for.

Feel free to get in touch for further information.

The current owner is open to reasonable offers and happy to discuss a potential sale
