

# Precast Concrete Manufacturing Business for Sale Waipapa

## Exceptional Precast Concrete Business, Asset & Patent Opportunity - Northland, New Zealand

Take advantage of this outstanding opportunity to acquire the complete assets and exclusive nationwide patent—with full intellectual property rights—for a well-established precast concrete business based in Waipapa, Northland. The current owner is retiring. This offering includes an impressive array of unique manufacturing assets and robust IP, positioning you to lead in the concrete products market.

**Exclusive Patent & IP Rights:** Own the exclusive New Zealand patent for Precast Products Ltd's Next Generation Cattle Toughs. Complete IP and patent ownership are included, giving you a competitive edge nationwide. Our Troughs are well suited to NZ conditions, from icy winters to drought driven summers. One design suits all

**Complete Production Capability:** The asset package features numerous specialised and exclusive moulds designed by the current owner, including:

- Unique paver moulds
- Cesspit moulds
- Container block moulds
- Small trough moulds

These assets allow for immediate and versatile product manufacturing.

**Comprehensive Plant & Equipment:** Included are a TCM18 forklift, a 350-litre hydraulic concrete mixer (mix when you are ready not when others are ready to supply), and all specialised lifting and rigging equipment needed for efficient operations, plus all associated concrete machinery.

**Mobility & Flexibility:** The business is fully operational as-is and can be easily packed into the two 40' containers for relocation to your chosen site or merge it to your own, offering unmatched flexibility.

**Expert Tuition:** Be fully trained by the current owner in the complexities of operating the business and all its systems.

**Off-Grid Operation:** Run independently of the main power grid, minimizing overhead costs and providing operational resilience.

**Established Market Presence:** Benefit from strong relationships with farmers, contracting firms, suppliers, and the public, ensuring a solid customer base from day one. Strong repeat customer base.

**Affordable Lease:** Attractive yard lease with options to extend (details TBC).

A full asset list is available upon request. Serious inquiries only. Confidentiality agreement required for complete business disclosure. Asset value is advertised with full patent and IP transfer included.
