Automotive Workshop BOP - Profit \$275,000

A well-established independent automotive workshop with over 20 years of trading history in a Bay of Plenty regional centre, offering proven earnings and a solid operational platform.

The business consistently generates around \$1.0m+ in annual revenue and delivers average Seller's Discretionary Earnings of approximately \$275,000.

It operates from a modern, purpose-built multi-bay facility in a high-visibility main-road location, supporting efficient workflow and steady demand.

The operation benefits from strong gross margins (approx 37-40%), a large and loyal customer base, and experienced staff supported by documented systems and processes.

Performance has remained resilient, underpinned by repeat trade rather than reliance on any single customer or contract. A long-term lease is in place with a supportive landlord.

Key Points

- Consistent Revenue of around \$1.0m+ and \$275k average SDE
- Modern multi-bay facility in a prime regional location
- Team of qualified mechanics, plus auto electrician
- Diversified, loyal customer base with no concentration risk
- Strong margins, systems in place, and experienced staff

This opportunity will suit a qualified mechanic, owner-operator, or trade buyer seeking a stable, cash-generating regional business with realistic pricing. If you're looking to get into your own business, buying this long-term well established business makes so much sense. For more information, please contact Michael Shah on 021651855.
