## Established Food Franchise - Auckland

Operating since late 2024, this popular, well-presented retail food business is fully set up and trading, with a modern fit-out, established systems, and all core infrastructure in place. The business trades seven days per week and benefits from structured franchisor support, coordinated marketing activity, and established supplier relationships.

The premises are generously sized for the category and have been configured as a turnkey operation, allowing an incoming owner to step into an established framework rather than undertake a new build or fit-out.

Comprehensive training and ongoing operational guidance are provided, making the business suitable for an owner-operator seeking a supported operating model. Prior industry experience is helpful but not essential, with systems in place to support a smooth transition into ownership.

Asking Price: \$650,000.
