

Training People. Growing Business.

### Run your own training business from home with a great team of contractors in place.

Chalkbox has been established for over 15 years and provides business training courses to organisations in Nelson/Tasman. Delivering skill-based training in areas such as computer skills, leadership, communication and project management, with a focus on giving participants skills they can apply immediately at work. Our core clients are organisations that wish to grow the capability and confidence of their people, including major employers across the Nelson-Tasman region and wider New Zealand.
