Guthrie Bowron Mount Maunganui

An outstanding opportunity to purchase Guthrie Bowron Mount Maunganui, with the current owners having successfully operated the business for nearly 20 years - a strong endorsement of the store's performance and the Guthrie Bowron franchise model.

Located adjacent to the busy HomeZone, with easy access from Owens Place and the State Highway 2 Bayfair Interchange, this store enjoys excellent visibility, strong street presence and ample customer parking. Positioned alongside other high-profile brands, it is exceptionally accessible for both retail customers and trade professionals.

Servicing the affluent coastal catchment of Mount Maunganui, Papamoa and the wider Tauranga area, the business is well placed to benefit from ongoing housing growth, strong renovation activity and a steady flow of "refresh and improve" projects that are a constant in lifestyle regions.

From Northland to Southland, across major cities and popular regional towns, Guthrie Bowron has been proudly inspiring New Zealanders since 1896. Each store is proudly local, supported by a proven franchise system, and offers customers a true "one-stop decorating shop" across key categories including paint, wallpaper, flooring, curtains and blinds - backed by expert advice.

A key strength of the Guthrie Bowron model is the depth of franchisor support behind each store. Franchisees benefit from proven systems, national brand strength, training, marketing and merchandising programmes, and an efficient supply chain - enabling owner-operators to focus on delivering outstanding customer experiences and building strong local trade relationships.

This is an opportunity to own a respected local business with a strong market position and clear pathways for a motivated owner-operator to add value through category development, people capability and (subject to approval) future premises strategy.
