Independent Commercial Cleaning Operation

Long-standing operation with repeat commercial clients and steady workflow

An opportunity is available to acquire a well-established commercial cleaning business operating in Wellington and the Hutt Valley. The business services a predominantly B2B client base and has been built on consistent service delivery, long-standing relationships, and repeat contract work.

Operating since 2020, the business has secured a stable mix of regular commercial clients, including property managers, real estate agents, developers, and institutional customers. Most work is recurring and contract-based, providing reliable workflow without reliance on active marketing.

Key highlights:

- * Strong base of repeat and contract clients
- * Minimal marketing to date - growth driven by referrals and reputation
- * Simple operational structure with manageable overheads
- * Proven client retention and consistent demand

Systems, equipment, and supplier relationships are already in place, allowing a new owner to step in and continue operations or to accelerate growth through a focus on sales and marketing.
