### Established Upper Hutt florist with vendor finance option

Victoriana Florist is a long established retail florist located on a busy main road into Upper Hutt cbd, surrounded by complementary businesses including cafes, retail and services. Operating for over 30 years, the business services local, national and international customers with fresh flowers, pot plants and gift arrangements. Orders are delivered across Wellington using the branded company van. The business is well known, fully staffed and offered for sale due to owner retirement, with potential vendor finance available.

### Business Resources

The business is fully equipped and stocked, ready to walk in and operate. Assets include a fully serviced and signwritten company vehicle, brand new computer and printer, walk-in chiller, 2 cubic metre shop fridge, two standalone workroom fridges, dishwasher, and dedicated workroom areas. Professionally trained staff are in place, and established systems support ongoing operations and deliveries.
