

Cafe for Sale Tahunanui, Nelson

Well-located, easy-to-run café in a much-loved recreational setting.

Open to the public but also serving the country's largest Holiday Park, this tidy little business comes onto the market with room to build on its already much-loved location.

With excellent indoor/outdoor flow, it enjoys strong captive summer holiday market as well as out of season foot and bike vehicle traffic due to its close proximity to a mega bounce, playground, public mini-golf and cycle hire hub plus a stunning boardwalk linking to the Great Taste Trail.

A well-equipped kitchen completes the picture, while recent additions of a coffee cart and real fruit ice cream offer further growth potential.

This is a simple, well established hospitality opportunity in one of New Zealand's most iconic leisure locations.
