Sushi Takeaways/Cafe, Prime Location North Shore - (CML 11474)

Sushi Takeaway and Cafe in a prime location.

This business boasts a very large kitchen with ample car parking available.

Superb visibility, parking at the door and on a corner site.

Plenty of customers to cater for in a mixed industrial, commercial and residential area.

Currently trading 5 days only that the same owner has run the last 10 years.

Potential here to grow sales further by extending days and hours, or keep your weekends free.

Fantastic opportunity to seriously consider. Sushi and Takeaway, however could suit any cuisine. Why delay? Call Kevin Lee now on 021 575 898 to arrange a viewing.
