Crispy Opportunity - Established Sites Ready to Go

An opportunity to acquire two established hospitality sites operating under a fried chicken concept. Positioned in high-traffic locations, these businesses benefit from strong brand recognition, streamlined systems, and proven customer demand. The sites can continue trading under the existing concept or be rebranded to suit a new owner's vision.

The Willis Street site occupies a prime inner-city position in the heart of the Wellington CBD, offering excellent visibility and strong daily foot traffic. The North City outlet is located within a busy Porirua shopping centre, providing consistent customer flow and an efficient high-volume trading model.

Both businesses are fully operational with proven systems in place and are available for purchase individually or together. Weekly turnover is approximately \$30,000 including GST at Willis Street and \$18,000 including GST at North City.

This opportunity is well suited to experienced hospitality operators, investors, or owner-operators seeking a recognised food concept with established demand and flexible future potential.
