A great opportunity to be your own boss. This Exterior Cleaning business has a turnover of over \$280,000 and delivers an SDE of approximately \$141,000.

The sale price is \$150,000 including stock, and it comes with a fully equipped vehicle, all equipment included, and contract jobs already in place (subject to approval). The business is ready for someone to take over and start working straight away. You just need to take on the jobs and run it as your own. Training will be provided for a smooth handover.
