### Hand Therapy Clinic Earning \$200K Profit | Sale Price \$275,000

A well established Hand Therapy clinic located in a busy Auckland suburb is for sale with an optional lease, providing flexibility for a prospective individual or corporate owner.

The clinic has an outstanding reputation and has plenty of scope for growth. The well-equipped clinic has on-site parking, robust software and administration systems and an extensive client list. The clinic attracts referrals from multiple medical professionals and the owner is willing to assist with transitioning the business on a part-time contracted basis.

This is an ideal opportunity for a qualified Hand Therapist to kick-start their own business or for an existing business to expand into a central, heavily populated suburb.
