TOYWORLD NAPIER
191 Dickens St, Napier South

Toyworld Napier. Big Smiles & Bigger Profits of \$261,000+

Toyworld Napier is more than a retail store. It's where wish lists come to life, where grandparents become heroes and where kids drag their parents through the doors with wide eyes and big dreams.

Behind all that fun is a seriously solid business.

Since taking ownership in 2020, the current owners have enjoyed strong, steady profits from this fully managed operation. Now it's your turn to unwrap the opportunity.

Keep it running under management and enjoy the returns, or step in as an owner-operator and take the reins to grow profits even further. With a proven, low-cost franchise model behind you, you are never alone, but you still have the freedom to run your store your way.

With 34 stores nationwide, Toyworld is New Zealand's largest network of independent toy retailers. For 50 years, it has been the place Kiwi families trust for the biggest range of toys, games, puzzles and indoor and outdoor adventures. This is a brand woven into childhood memories across generations.
