Industrial Manufacturing Business - Auckland

This highly profitable and fast-growing business has proven that a quality business can beat the downturn in the building and construction industry.

This business has a solid portfolio of existing and new customers with over \$4M worth of forward bookings pipeline for 2026 and is expected to deliver a strong FY2026, exceeding business projections. There is \$1M+ worth of assets and stock included at this price as well.

With the recent changes in building regulations, it is a perfect opportunity for a builder/investor to leverage the demand and take the business to the next level.

Key reasons why this business is right for you:

- \$4m of forward bookings
- Strong mix of residential & commercial clients across NZ
- High-demand product and niche category
- Established brand and reputation
- A highly productive team of 20 staff
- Strong margins & profitability
- Investor Boost Visa -meets the requirements for an overseas business investor seeking to move to NZ

The owner is looking to retire and wants this business sold ASAP. Vendor finance is available on request for the right party.

All enquiries will be vetted by the owner for suitability, and a Confidentiality Agreement will be required before any information is disclosed. Full detailed Information Memorandum is available.
