Cash-Flow Laundromat - Easy to Run

Simple. Proven. Profitable.

This well-established fully self-service laundromat delivers steady weekly income with very little owner involvement. No complicated systems. No large team. Just machines working for you.

The business is fitted with quality commercial washers and dryers and services a loyal local customer base. Laundry isn't a trend - it's a necessity. People need it every week.

The current owner input is low, making this ideal for:

- * First-time buyers
- * Couples

There's also upside. Extend hours. Add wash-dry-fold. Introduce commercial contracts. Push marketing. The foundations are already here.

Key Points:

- * Established and trading well
- * Simple day-to-day operation
- * Strong repeat customer base
- * Quality equipment in place
- * Essential service business
- * Growth potential available
