This well-regarded garden maintenance and landscaping business enjoys a strong reputation for reliability and quality service across the wider Whangarei region and surrounding areas. With a loyal customer base and consistent repeat work, the business specialises in soft landscaping and regular garden maintenance and has 5 star reviews. Its operational flexibility allows it to be operated from Mangawhai, Bream Bay, Kaipara or Whangarei.

KEY FEATURES

- Ongoing one off and cyclic repeat clients ensures a consistent base revenue
- Flexible operation run by the owner operator with support from trusted contractors, allowing for hands-on involvement or scalable growth
- Competent Hand Over period with client facing, pending booked work, office systems, quoting format, supplier contacts and contractor labour
- Being in control of your work-life balance and how you wish to manage your cashflow. Typically the owner enjoys a four-week summer break and two additional weeks off during the year with current turnover
