### SDE \$95k-\$100k | Low Overheads | Turnkey Setup | Established 2021

Established Electrical Services Business - Strong Reputation + Fully Kitted Work Van

A well established electrical services business is now available for acquisition, offering consistent earnings, a respected brand, and a loyal mix of commercial and residential clients. This opportunity is ideal for a qualified electrician wanting immediate income and a streamlined, low overhead operation.

The business has been operating since 2021 and is known for reliability, quality workmanship, and exceptional customer communication. With strong online ratings and a large base of repeat customers, the business enjoys steady workflow throughout the year.

Included in the sale is a fully kitted work van, professionally fitted with shelving, drawers, roof racks and security features, allowing a new owner to step straight into the field with no additional setup costs. A comprehensive suite of tools, ladders, testing equipment, digital assets, and office equipment further supports a turnkey transition.

The business delivers a full range of services including installations, repairs, maintenance, switchboard upgrades, EV charger installations, and commercial fit outs. Efficient systems such as Fergus job management and Xero integration ensure smooth operations and easy handover.

With consistent owner earnings of approximately \$95k-\$100k, strong demand for electrical services across Auckland, and clear pathways for growth, this is a compelling opportunity for an owner operator seeking a profitable and respected business.

Asking Price: \$185,000
