Ever Wanted To Own An Award Winning Brewery, \$225K+ To Working Owners-(CML11489)

A rare opportunity to step into the world of Craft Brewing the right way - with an established, award-winning brand, national retail presence, and strong six-figure returns to working owners - this is where passion meets profitability.

Operating for over a decade, this independent brewery has built a respected reputation within the hospitality industry; supplying bars, restaurants, liquor retailers and national supermarket groups. The brewery operates on a "grain-to-glass" model, with full in-house capability including canning, kegging and bottling infrastructure. Production capacity exceeds current volumes, providing clear growth headroom.

- 2025 Turnover: circa \$615,000
- Gross Profit: circa \$378,000
- Profit to Two Working Owners: circa \$225,000+
- No additional staffing required beyond working owners

Beyond the numbers, this is a lifestyle business. Festivals, tastings, industry relationships, creative brewing freedom - this is not just an income, it's an identity.

The premises include a well-configured brewery site with a fully consented 2-bedroom apartment upstairs - live onsite or generate additional rental income. As an additional investment, there is an option to purchase the full Property Freehold (subject to negotiation).

Price: \$575,000 plus stock
