Profitable Civil Contracting Business - Bay of Islands

With more than 25 years of successful operation, this business has built a strong reputation across the Bay of Islands for reliable, quality work. The business delivers a wide mix of civil construction services, from roading and rural surfacing to retaining walls, sea walls, boat ramps, and earthworks.

The company is fully equipped with over \$1.6m of assets, including certified quarry supply from a leased grey wackie site offering Gap40 and other grades of metal allowing for reliable supply, cost control and competitive edge. Work is booked three months ahead, and demand continues to grow as the region develops.

The company employs five long-standing full-time staff, supported by contractors when required and maintains strong relationships with local builders, developers, and residents, providing steady repeat business.

Current advertising is minimal, offering clear scope for expansion through digital and local marketing channels.

For an experienced operator or an existing company, this presents an opportunity to take on a well-established, profitable business with a \$400k cash surplus to an owner operator.

Asking Price: \$2,200,000 (including \$1.61m tangible assets)
