Systemised Construction & Property Improvement Business

Christchurch | Consistent Earnings | Low Owner Involvement

Well-established construction and property improvement business with a strong reputation and consistent forward workload.

The business provides a range of services focused on improving, repairing, and preparing residential properties, supported by repeat clients and ongoing referrals.

Operations:

- Highly systemised
- Experienced management
- Capable team in place
- Owner works limited hours by choice, day-to-day activities handled independently

Highlights:

- Established market presence and trusted reputation
- Consistent forward bookings
- Experienced team and structured systems
- Minimal reliance on the owner
- Clear opportunities to increase capacity and margins
- Ability to undertake additional property projects separately

This is a profitable, well-run business offering both stability and future growth potential. Enquire now for further information. Contact Callum Newport on 021335093.
