### Premium Day Spa, Proven & Profitable, Highly Profitable, Strong Client Base - (CML 11495)

An exceptional opportunity awaits an ambitious owner-operator or investor to acquire a thriving, long-established Day Spa with an outstanding reputation. Renowned for its high-quality service and loyal client base, this business has been built over many years of successful trading.

The current owner is not a beauty therapist, working 2 days on reception and 3 days managing staff and operations, enjoying excellent work-life balance while the business continues to perform strongly. With projected annual sales of around \$700,000 and an impressive SDE of approximately \$200,000, this is a solid and stable investment.

This beautifully presented, spacious premises feature:

- 5 fully equipped treatment rooms
- 1 spray tan room with shower
- A welcoming reception and comfortable client lounge
- Four on-site carparks included in the lease

There is significant potential to expand the service offering and introduce new treatments or wellness services, providing exciting growth opportunities for the next owner.

Opportunities like this, combining high profitability, a non-beauty therapist owner role, and a long-standing reputation, are rarely available. Secure this exceptional day spa and take advantage of its proven success.

Price: \$490,000 plus stock of circa \$100,000
