

Farm Contracting Business for Sale Canterbury

Farm Contracting Business for Sale

This business contracts to the many famers in the Canterbury region carrying out earthmoving, laneways, new tracks, silo pads, irrigation and drainage works. They even create duck ponds. (Ducks not supplied)

This work is completed with a full contingent of diggers, trucks, grader and roller. This plant has been meticulously maintained and serviced. They also have a large transporter unit for moving equipment such as diggers, dozers etc. and contracts this service out to move other businesses vehicles and equipment.

There are experienced staff in place who have been there a number of years and are competent with various plant and equipment.

The owner has great relationships with the many farmers and is happy to provide an extended hand over period for this business.

There is plenty of work booked forward and opportunities for more work from the loyal customer base built up over many years of great work by the owner and his team. This leads to great opportunity to grow this business further.
