EUROPEAN WINDOW IMPORTING
Auckland

European Window Importing. FY2027 Profits of \$384,000+

This business currently imports premium European windows and doors crafted for New Zealand living, offering custom solutions that aesthetically look amazing & also offer premium functionality & superior heat retention.

The business has completed a number of projects on premium homes and has a strong pipeline for 2027.

The vendor now plans to relocate to Australia, this creates the perfect opportunity for an incoming owner with sales and marketing skills to step into the now-established business model and build on these foundations.

Currently operating a sales and delivery business model nationally with outsourcing of installation. The current owner is only putting 10 hours a week into the business, somebody with more focus on sales should see substantial growth.

Business Highlights

- Forecasted working owner profits of \$384,000 in 2027
- Owner works two hours a day
- \$200,000 showroom fit-out included
- Flexible work from home business model
- NZ rights to premium brands
- Seamless systems and processes
- Simple business model
- Closed for two weeks at Xmas
