

Automotive Workshop Business for Sale Hamilton

Established Automotive Business with Loyal Clientele

Take the next step from mechanic to business owner with this well-established automotive service business, operating successfully for over 20 years. Located just 15 minutes from Hamilton and Morrinsville, this is a rare opportunity to secure a trusted business in a busy rural area.

Why This Business Stands Out:

Enjoy a reliable income stream from a strong base of repeat and loyal customers

Comprehensive automotive services including servicing, repairs, and Warrant of Fitness (WOF) inspections

Affordable, long-term leased premises equipped with essential plant - 2 hoists, tyre machine, and wheel balancer

Excellent reputation within the community, synonymous with quality and trust

Ample growth potential by expanding services or customer base

Suitable for a mechanically skilled individual ready to leverage technical expertise into business ownership. The current owner is willing to provide support and stay on to complete WOFs if needed - ensuring a smooth transition.

Price reflects outstanding value at \$150,000 plus GST (plus \$10,000 for plant).

Step into ownership with confidence - contact today to discuss this incredible opportunity.
