

Critical Communications Business for Sale Central North island

Critical Communications Specialist Business for sale with multiple Income Streams from sales, service, hire & installations.

If you are on the lookout for a solid business for sale, you might want to consider this opportunity priced at \$1,195,000 plus \$25k SAV.

With a steady annual turnover of over \$1.5 million and regular recurring income, this enterprise is a well-established and reputable critical communications provider with a strong operational foundation, diverse customer base and expanding Digital Network.

This business has developed a strong focus on service delivery across a broad range of sectors that require critical communications. Supported by an experienced team and robust systems, the business delivers reliable services across the Central North Island. They specialise in sales, installations, servicing, repairs, equipment hire / lease, system design/build and digital networks.

Highly profitable with multiple income streams that include a number of established Service Contracts, and the fact that there are growth opportunities, this is your chance to make a move with a leading business in the thriving communications industry.

As Confidentiality is of utter importance, a Confidentiality Agreement will need to be completed, and a telephone conversation had on receipt of the CA, prior to any further information being provided. Complete the Online CA via this link (bottom of the page) - <http://kevinatkinson.co.nz/featured-business-for-sale-1/>
