Top Rated Moving Business - 900+ Reviews (9.8/10), 5★ Google, Weekly Leads Ready

You're not buying a business — you're buying a proven brand and a clean start

You're buying instant credibility + lead flow

Established Auckland moving brand with a strong reputation and proven systems. Includes a Wisemove account with a 9.8/10 rating from 900+ customer reviews and a 5-star Google profile.

The business generates 10–20 enquiries per week through its website alone and has a solid base of repeat customers, allowing work to be secured immediately from day one.

A team of experienced contractors can come with the business. They are flexible, reliable, and are among the best movers in the industry, allowing operations to continue smoothly without the need for employees.

A seamless, fully online system is in place for managing bookings and jobs, requiring minimal hands-on involvement from the owner.

Ideal for an owner-operator or team wanting to step into an established operation without building reputation from scratch.

Includes Wisemove account, website, brand, client base, and Google profile. **Trucks available separately if required.**

The owner is stepping away from the moving industry to focus on another business venture. The business is running well and ready for someone else to take over and continue growing the brand.

Business Resources

Established brand with a 9.8/10 rating from 900+ customer reviews on the Wisemove platform, along with a 5★ Google profile. Includes website generating consistent enquiries, client database, and repeat customers. Seamless online system for managing jobs and bookings with minimal owner involvement. Experienced contractor team available to continue (no employment obligations). Full handover provided to ensure a smooth transition. **Trucks available separately if required.**
