

School Uniform & Sports Apparel Business for Sale Christchurch

Established Contracts | Established Overseas Supply Partnerships | Scalable Model

The Business

This established business specialises in school uniforms and sports apparel, servicing a defined region within the South Island. With established online systems and ecommerce platform for stock management and order fulfillment, the business can be run from any location.

The business has built a **strong reputation for quality, reliability and superior customer service**, resulting in long-standing relationships and **secured supply contracts with schools**.

A key strength is its direct overseas manufacturing relationships. The current owners were closely involved in developing these partnerships, ensuring strong quality control, reliable supply and competitive production pricing.

- Secured school supply contracts
- Strong reputation and repeat client base
- Direct overseas manufacturing relationships
- Predominantly **remote business model**
- Occasional onsite fittings and relationship management
- Average owner input approx. **10 hours per week**

Business Resources

Opportunity

Significant opportunity exists to expand through additional school contracts and leveraging existing manufacturing relationships.

The business also presents **strong synergies for buyers already operating within apparel, uniforms or promotional clothing**, with the ability to integrate operations and improve margins.

The Buyer

- An **existing industry operator** seeking strong operational synergies; or
- A motivated owner-operator looking to grow an established business through strong customer service and relationship development.
