

Real GPS Exclusive Territory Franchise for Sale Auckland

Build a Business That Pays You Every Month

Auckland Territory - The Largest Growth Opportunity in the RealGPS Network

Investment: \$129,000

If you were going to build a business anywhere in New Zealand, where would you choose?

For many business owners, the answer is Auckland.

RealGPS is offering the exclusive Auckland territory to a motivated business builder who wants to create a valuable recurring revenue asset in New Zealand's largest commercial market.

The territory already includes existing customers and recurring monthly revenue from day one, but the real opportunity lies in Auckland's enormous growth potential.

Every customer within the Auckland territory belongs to you.

Every GPS connection generates recurring monthly revenue.

Every new customer generates immediate hardware profit and contributes to a growing recurring income stream.

Why Auckland?

Auckland contains New Zealand's largest concentration of:

- Commercial vehicle fleets
- Construction companies
- Transport operators
- Service businesses
- Equipment hire companies

The Auckland territory represents the largest addressable market currently available within the RealGPS franchise network.

A Business Built Around Recurring Revenue

Every new customer creates two income streams:

- ✓ Hardware profit from every GPS tracker sold
- ✓ Ongoing recurring monthly revenue from every active connection

As your customer base grows, so does your monthly income.

Over time, franchise owners build a valuable recurring revenue asset that can continue generating income long after the initial sale.

Focus On Growth, Not Technical Work

You do not need GPS industry experience.

You do not need installation experience.

The ideal franchise owner is a salesperson, relationship builder, account manager or business professional who enjoys meeting customers and growing a business.

Many successful franchise owners subcontract installation work so they can focus on customer acquisition and customer service.

Supported By An Experienced National Team
