## Storage Box Pukekohe. A Proud Pukekohe Retailer For 20 Years

Storage Box Pukekohe has been a staple at The Zone Franklin for over 20 years, building a strong reputation as the go-to destination for quality storage and home organisation solutions.

Well known to locals and backed by a recognised brand, this is a proven retail business with a loyal customer base already in place. Better yet, the asking price sits well below the cost of setting up a new store from scratch.

Whether you are a husband-and-wife team or family looking for an entry-level business with solid foundations, this is an opportunity to step in and start reaping the rewards from day one.

### Business Highlights

- Motivated sale due to a change in family circumstances - their loss, your gain
- Established team already in place
- New lease available, \$39,000 less than current rent
- Clear opportunity to increase sales with focused ownership
- Strong franchisor support including marketing, web sales, and training

Storage is a problem every Kiwi household knows well. From new builds to older homes, space is always at a premium, and Storage Box Pukekohe is right at the centre of the solution.
