

Commercial Aviation Assets and Intellectual Property Business for Sale South Island

South Island Premium Tourism & Contracted Services Platform incorporating Commercial Aviation Assets & Intellectual Property.

An opportunity to acquire a package of high-quality aviation fixed assets and associated intellectual property within the premium tourism and services sector.

This offering is structured as an asset and IP acquisition, presenting a compelling platform for buyers seeking entry or expansion within commercial aviation, tourism experiences, or specialised contracted services.

Strategic Value

The assets and intellectual property provide a strong foundation for a buyer to:

1. Re-establish or scale premium tourism and scenic aviation offerings;
2. Integrate assets into an existing aviation or tourism operation;
3. Leverage permit and concessions to unlock future commercial opportunities.

Business Resources

Asset & IP Overview

1. Fleet of tangible aviation assets, including fixed-wing aircraft.
2. Forward order bookings and strong history of sales growth and operating profits.
3. Tourism permit supporting premium aviation activities.
4. Strategic leasehold interests supporting aviation operations, retail sales, and administration.
5. Established brand, intellectual property, and digital presence.
6. Forward-looking operational framework suitable for reactivation, integration, or repositioning.
7. Supporting systems, procedures, and aviation infrastructure.
