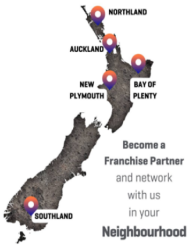
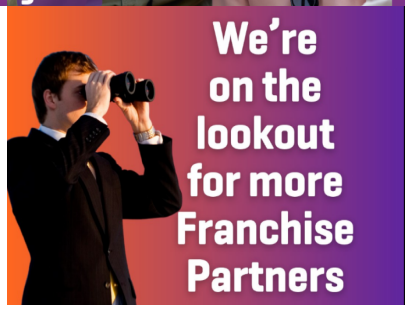
Business Networking Franchise for Sale NZ Wide





Build a Business That Builds Others - A people-first business network helping business owners and professionals grow through genuine relationships.

A 2014 kiwi lead startup business is looking for motivated people to expand nationwide.

An ideal opportunity for those who want to:

1. own a purpose-led business in their local region.
2. help local business owners succeed.
3. transition out of full-time work into a flexible & meaningful business.
4. have a low-risk, home-based, supportive business model that is scalable, delivering recurring income and local connection.

As a Franchise Partner, you will:

1. Launch and grow weekly business networking groups within your region.
2. Support & promote your members/visitors/groups plus mentor group Facilitators.
3. Build trusted relationships that support small business growth.
4. Earn recurring monthly income through group memberships.

It's your chance to build a business that helps others succeed and be part of something bigger.

Business Resources

Our Franchise Partners run their own business with the backing of proven systems. Training is offered in setting up, running and expanding their business within their region with their team of local facilitators.

Our supportive franchise network means you're never on your own. Ongoing support through marketing, regular meetings and onsite visits from our national team are all part of how we assist you to excel.

If you're looking for working flexible hours and having a meaningful impact on your local community plus someone who genuinely values relationships, you've got what it takes.
