

Beverage Manufacturing Business for Sale North Island

73 Citrus is a high-growth New Zealand citrus beverage brand with proven supermarket and hospitality distribution networks and a scalable platform.

The business offers range of health focused citrus beverages built on high-quality, naturally sourced ingredients, aligning with growing consumer demand for clean label, better-for-you beverages. The brand is well recognised across its channels supported by proven recipes and strong customer acceptance.

Business Resources

All manufacturing and logistics are outsourced to trusted contract partners, allowing for minimal overheads. The lean structure has allowed the owners to focus on customer relationships and sales development, while making the business highly scalable.
