2 Stores, \$310K Profit - Proven Retail

Amazing opportunity to grab 2 awesome retail operations at the same time.

Two established value retail stores in the Hawke's Bay region, operating under a simple, proven model that delivers consistent sales and strong owner returns.

Across both sites, the business generates:

- * Combined weekly sales of approximately \$15,000
- * Combined owner profit of approximately \$310,000

That's real scale, real income, and importantly - diversification across two locations.

The model is straightforward. Customers know exactly what they're getting: value, variety, and everyday essentials. No complex systems. No steep learning curve. Just practical retail that rewards good execution.

Both stores benefit from broad customer appeal, with repeat trade driven by affordable pricing and constantly refreshed product lines. The range covers household goods, gifts, party items, and seasonal products - all designed to keep customers coming back.

For a buyer, this is about stepping into something established:

- * Two-store operation with proven performance
- * Simple systems across both sites
- * Broad, repeat customer base
- * Locally sourced products - no importing complexity
- * Scalable platform with hands-on upside

The Hawke's Bay location adds lifestyle to the equation - a strong regional catchment combined with a place people genuinely want to live and work.
