

InXpress - Tech-Enabled Logistics Franchise Franchise for Sale New Zealand

InXpress is a tech-enabled logistics franchise helping small businesses access discounted global shipping, streamline freight, and grow through smart solutions.

InXpress New Zealand operates in the country's \$18 billion transport and logistics industry, offering a smart, tech-enabled way to run your own business—without trucks, warehouses, or heavy overheads. As a franchisee, you connect local businesses to discounted global and domestic shipping solutions through a powerful digital platform and world-class carrier network. With strong brand support, proven systems, and recurring revenue opportunities, InXpress is ideal for motivated professionals who want to build a scalable, customer-focused business in a thriving sector.

Business Resources

InXpress operates in 14 Counties and has been trading for over 26 years. Join a proven system, whilst working from home. You need a computer and a mobile phone to start building your business. Training is 5 days in Brisbane, AU. You pay your airfares and we will pay for your accommodation.
