PREMIUM PACKING & CLEANING  
Auckland

## Premium Packing & Cleaning. FY26 Profits of \$160,000+

Built from the ground up in 2018 and with a ready to go franchising system, This business has established itself as one of Auckland's go-to providers for premium packing, unpacking and cleaning services.

With consistent enquiry flow of between 50-80 leads per month, a strong reputation backed by strong customer reviews, and a proven systemised operation, this business presents a standout opportunity for a new owner to step into a profitable, well-structured business with immediate income from day one.

Whether you're looking for a solid owner-operator business or a platform to scale into a national brand, the foundations have already been laid, all that's left is execution.

### Business Highlights

- Working owner profits \$160,000+
- Established brand with strong market recognition and repeat customer base
- Proven systems, SOPs, and training manuals in place
- Diverse service offering with strong demand across packing, unpacking and cleaning
- Fully equipped with vehicles and operational assets included in the sale price

With demand remaining strong year-round and the business already generating consistent enquiry and profit, this is your opportunity to step into a well-established operation with real upside.

Opportunities like this, where the systems are built, the brand is proven, and the growth path is clear, don't stay on the market for long. Call Viran Ranchhod today on 022 398 7004 to learn more.
