Buy One or Buy Both, Two North Shore Pet Stores

Please note that no sales data can be supplied as part of this site sale.

Here's a rare chance to get your paws on one or even two well-presented pet stores on Auckland's North Shore.

Both stores are nicely set out, well appointed, and stocked with the kind of big-name brands pet owners know and trust. With grooming stations, retail shelving, displays, and fit-out all included, the bones are here for someone to come in, put their own spin on things, and take them to the next level.

These are the sort of opportunities that will appeal to hands-on owner operators, experienced pet retailers, or buyers who can sniff out upside in a tidy, ready-made setup with room to inject fresh energy, retail flair, marketing, and product expansion.

Buy one and run a single site, or buy both and really sink your teeth into the opportunity, creating scale, spreading buying power, and building a stronger North Shore presence in the pet space.
