

Artisan Organic Cheese Factory for Sale Thames

Artisan Organic Cheese Factory, Cafe and Mixed Use Farm

A rare opportunity to acquire The Cheese Barn, one of the region's most recognisable rural tourism and artisan food businesses, set on 30.21 hectares in the heart of Matatoki.

With over 30 years of trading, the property features an organic-certified cheese factory, café, retail store, and grazing land — delivering an authentic paddock-to-plate experience with strong brand loyalty and consistent visitor traffic.

Well-laid-out grazing land, former dairy infrastructure, and substantial shedding offer flexibility for expansion or diversification, while a character three-bedroom home provides true live-and-work functionality.

A proven, income-generating business with scale, infrastructure, and real growth potential in a highly desirable rural location.
