This is a standout opportunity to acquire a highly profitable, long-established trade services business operating on the Eastern Coast of the Coromandel Peninsula. With over two decades of proven performance, the business has built a dominant position in its local market, becoming the preferred contractor for a large portion of the regional building community.

Importantly, while many trade and construction-related businesses have faced challenging conditions in recent years, this operation has continued to perform strongly. The ideal buyer will bring some trade or construction experience, along with solid organisational ability and good people skills.

The business runs efficiently with a skilled, well-structured team of around 10 staff. Established systems, allows flexibility for a new owner to be hands-on or take a more strategic role. Backed by strong margins, reliable cash flow, and a favourable competitive environment, this opportunity presents both financial performance and an exceptional coastal lifestyle. This is a rare chance to secure a high-performing, stable business where you can live and work in a location many only visit on holiday.
